His desire is to see individuals find and fulfill purpose, and for the body of Christ to function in its full power and potential. This inspires him to release the Word of the Lord and make a contribution to the work of the Kingdom of God.

Pastor George Washington

George W. Washington served for 29 years as pastor of Metropolitan Community Tabernacle in Detroit, Michigan. He retired as Pastor Emeritus August 2017.

He was born in Little Rock, Arkansas in 1946, his family moved to Detroit in 1956. While growing up in the inner city of Detroit, in 1960 he realized that he was lost and on his way to Hell. He had heard the Gospel message all his life, but one Sunday morning, the Lord spoke to him very clearly and that is when he received Jesus Christ as his personal Savior. The Lord has allowed him to serve Him in many positions in the church. He has served as Sunday School teacher, Sunday School superintendent, and later as Youth Director. The Church also ordained him as a deacon. It was in this position that he learned to serve, to be more compassionate and tenderhearted toward God's people..

In 1970, he was called by the Lord Jesus Christ to preach the Gospel. Later, he attended The Detroit Bible College and William Tyndale College. In 1977, he became pastor of Pilgrim Missionary Baptist Church in Port Huron, Michigan. There he served for 11 years. He has been involved in many local community organizations including the NAACP, Big Brothers-Big Sisters, American Cancer Society, Yorkshire Woods Community Organization, as well as a leading Elder with the United Assemblies of Detroit. He attended Ferris State University where he received his teaching certificate and became a Welding Instructor at the St. Clair County Technical Education Center. There he taught for 20 years and has since retired..

He has spoken at many national conferences, schools, and church gatherings across this country. He has visited several countries in West Africa. Metropolitan has adopted a village in the country of Benin, Africa, the village of Dodji. The church helped with the installation of a fresh-water well and assisted with many of the needs in the village.

During his retirement, he serves as a volunteer of the Faith-Based Council to various Detroit Public School System.

He and his wife have been married for 57 years and are the proud parents of two sons, five wonderful granddaughters and twin great-grand daughters.

Bro. Timothy Beer

Joy and I met as single missionaries in Zambia in 1998, where we were privileged to serve the Lord for almost 25 years. She was commended from the US and I from England. It was a privilege to see the working of the Lord in various ways in that country which is very open to the gospel. We relocated to the US at the end of 2021 to make a home for our three grown children and to also help in the care of Joy's mother who had dementia.

The Lord led us to York, PA, and we are in happy fellowship at North York Gospel Chapel. We continue to keep in regular contact with the work at Loloma in Zambia, seeking to support remotely as much as possible, and visiting each year. Here in the US we are involved in children's opportunities that the Lord has opened up for us. One of those is Bible Release Time in two different public schools, which allows students to be taken out of school for one hour a week for biblical instruction. We are also privileged to visit and encourage assemblies in the area.
